## Stubborn Cough Quickly Ended by Famous Recipe

Here is the famous old recipe whi illions of housewives have found to

Here is the fumous old recipe white millions of housewires have found to be the most depend this means of hreaking up a stubborn impering cough I takes but a moment to prepare and costs httle but it gives rest reliate ten for those dreaded coughs that usually follow the flir. I row my druggest get 212 ounces of Direct pour it into a published usually follow the flir. I row my druggest get 212 ounces of Direct pour it into a published usually follow the flir. I row into a published usually swrip or strained home? These you make a full pint of better remedy then you could buy ready made for three times the cost. It never speeds and takes so good that even children life. Into the street of the cost is the ready such and takes so good that even children life. Not only does this simple mytture soothe and heal the inflamed throat membranes with surprising, ease with surprising even throw into off the cough it loosens the germ laden philipm influences their sortiness in a wij that werelly islomishing. Place to a highly concentrated compound of genuine Norwer Pine con annual the active agent of cressite in a refined, palatable form whome and the refined produces. Do not accept a substitute of Pines.

# The Masterpiece In Washer Design

Acclaimed by some of the foremost engineers, and designers as "The Masterpiece in Washer Design," this New AUTOMATIC Washer is the expect son of Newer Better and More Progressive manufacturing methods

WASHING PRINCIPLES \$99.00

A Modern, Practical Washer at a Moderate Price

It embedies in a practical manner wil the elements of enduring worth, for which for twenty years the name "AUTOMATIC has been symbolical. It offers you a dependable washer at a moderate price one that is modern in design, staunch in construction highly efficient in washing ability and which assures you of

Each washing will consince you more and more that your faith in the AUTO MATTIC was justified. Tene after year it will prove its ateriling worth by ren dering efficient economical and trouble free secules in your home. Never have we offered so much for so small a sum

## Fuduring Quality for One third Less

The adoption of automobile manufacturing methods in the hig modern plant of the Automatic Washer Company, and the use of light, yet strong steel forms where practical in place of heavy easilings enables us to offer such remarkable quality and value in the New At TOM VTIC Washer with Invertible Agitator I'menty years experience in hullding electric washers enables the manufacturers to offer this desirable machine to you at one-third less than you would expect to

The Washer with Ten-Year Service Guarantee Band

The New AUTOMATIC is the washer backed by a strong, liberal Ten-Xoor Bor tice Guarantee Bond. It means you may use this AUTOMATIC Washer week after neek for ten years. Then, if you wish, you may have it UESILIELT, att worn norking parts replaced (even electric motor and wringer rolls where negreeary) refinished, made substantially as good as new, for only \$25 00. A written maganine is furnished with every washer.

Faster, Safer and More Efficient Washing "

The Invertible Agitafor creates an agitation in the curvilinear shaped tob which. for speed, safety, and efficiency is unsurposed. The case with which you can wash 80 pounds of clothes an hour in the large self draining cupper tob will sorprime you. Exceptibling comes out delightfully fresh and close. Three cents pays for the electricity used to wash and wring a whole week's washing.

Simple in Design - Simple to Operate

Tor'll find this New AUTOMATIC Washer very simple to operate. A alight downward push on foot potal uttached to big immediately starts s washing mechanism. Another lever stores, stops, or reverses the Hercules enables rolls: All tension on rolls in instantly removed sing tension release on swimper. No adjustments are necessary, for every unit functions with clock like practices.

NOW ON DISPLAY Greatest Values

into effect.

(in listener has reported over 1:0 stations received alone the charles were made. This is not an unusual received in Marian for these are a great many between have passed the 100 metals.

mark
The greatest trouble found under
the present system is the jammed can
ditions existing in the lower wire
(annels in selution of this problum will no doubt rest with the fed levingers (erruter separation of sta

tions must be made or sets so constructed that tuning in the lower than neiss will be more selective.

The fact that the reception of more than 100 stations constitutes nor thus and record for Marion Islemors Indicates that the commission is at least on the right path. In case, the bife of the commission is lengthened by congress it by lakely that more channels will be cleared up insuring better reception of all statios. better reception of all statio

# Parcel Post Insurance

The nide use of Parcel Post Cosurance by business houses is readily explained by two factors its low cost and the case with which any package is insured

A coupon costing only a few cente is simply placed in the package before wrapping

The insurance company repays you for loss or damage. Let us tell you all about it.
